Streamlined Document Digitisation

Digitise your documents with ease and speed

Boost productivity with faster scanning speeds of up to 24/25 ipm (colour/black and white). The RICOH TWAIN Scan Editor makes it easy to edit, merge, and share documents, ensuring a smooth transition to digital workflows.

- **Flexible scanning options:** Scan to multiple formats, combine files, and send directly to different locations (dependent on model).
- **Mobile-friendly scanning:** Connect Android devices directly via USB cable.
- **Effortless file management:** Rename scanned documents before sending.

Sustainability as Standard

Maximise potential while minimising your impact

Experience reliable A3 printing in a space-saving design. Built to maximise efficiency while minimising environmental impact, these MFPs fit into any workspace without compromising on functionality. Get professional-quality output in seconds—with a rapid 15-second warm-up and 6.4-second first copy time—while energy-efficient features keep power consumption low, reducing costs and environmental impact.
